PS Docket No. 22-217

Comments Due: July 22, 2022

Reply Comments Due: August 8, 2022

On June 1, 2022, the Public Safety Homeland Security Bureau (the Bureau) announced the upcoming launch of the Communications Assistance for Law Enforcement Act (CALEA) Electronic Filing System (CEFS).¹ The *CEFS Announcement Public Notice* proposes to allow covered entities to file System Security and Integrity Policies and Procedures (SSI Plans) confidentially and securely online, eliminating the need for paper filing.² The Bureau seeks comment on the proposal that there be mandatory electronic filing of SSI Plans instead of paper filings for entities that are required to update their SSI Plans or file new SSI Plans under the Commission's rules, and that the timing of this requirement start six months after CEFS is made available for voluntary filing.³ The *CEFS Announcement Public Notice* set deadlines for filing comments and reply comments at 30 and 45 days, respectively, after publication of a summary of the *CEFS Announcement Public Notice* in the Federal Register.⁴

On June 22, 2022, the Office of the Federal Register published a summary of the *Notice*, including the associated comment and reply comment dates.⁵ Accordingly, comments must be filed on or before July 22, 2022, and reply comments must be filed on or before August 8, 2022. The *CEFS Announcement Public Notice* contains the comment filing instructions.⁶
